

OCS Supply

1SP = 4T

	Trace Supply	Fuel Supply	Combat Supply
Affects	All Combat Units (Also air bases to refit aircraft)	Combat Units with Truck or Track MPs	All Combat Units
Checked/Paid	Friendly Supply Phase	At beginning of movement	At the instant of Combat
Payment	N/A	<ul style="list-style-type: none"> ▪ Pay 1T to move one counter. Applies to current phase only. ▪ Pay 1SP to flip a formation marker until next Friendly Clean Up phase ▪ Pay 1SP to place a Fuel Marker on an HQ. All independent units (not part of a division or multi-unit formation) w/i that HQ's Throw Range are in supply until next Friendly Clean Up phase. Can fuel some units, move to another location and fuel other units. Can't use internal stocks for fuel. <p><i>Game tip: Fueled markers placed when releasing Reserves in the Reaction Phase give the best mileage, insofar as they remain on map the longest.</i></p>	<p>Uses SPs or internal stocks</p> <ul style="list-style-type: none"> ▪ Attacker pays 1T per attacking step (ex. In DAK, 1T per 2-step Bde) ▪ Defender pays 2T per combat (ex. 1T if 1 RE or less) <p>Internal stocks can only be used if regular supply is unavailable (exception: Supply on organic trucks)</p>
